Dear Mr Hurst

Hume Highway Duplication Project - Temporary Workshop, Mullengandra

I refer to correspondence from the Hume Highway Southern Alliance (dated 4 June 2008) seeking the Director-General's approval for the establishment of a temporary workshop at Mullengandra in accordance with condition 5.4 of the Minister concept approval of the Hume Highway Duplication project.

The Department has considered this request and advises that the Director-General has approved the temporary workshop provided it is constructed and operated in a manner consistent with the information provided in the abovementioned submission. The Department requires the Alliance to update the Woomargama to Table Top Construction Environmental Management Plan (CEMP) to incorporate the commitments made within the request.

Should you require any clarification regarding this matter, please contact Mark Turner on the above contact details.

Yours sincerely
